NUMBER 41

MISS ELBA 1988 - Whitney Wise (center) was crowned Miss Elba 1988 at the annual pageant Saturday night, April 9, at the Elba High School auditorium. Also pictured above are 1st runner up Jeannie Clark (left) and 2nd runner up Melissa Johnson (right).

## Whitney Wise crowned as 1988 Miss Elba

The annual Miss Elba pageant was held on Saturday night, April 9 at the Elba High School auditorium and crowned as Miss Elba 1988 was Whitney Wise, the 16 year old daughter of Mrs. Shirley Wise and the late Mr. Jimmy Wise.

Jeannie Clark, the daughter of Mr. and Mrs. Joe Clark, was chosen as the first runner-up, while named second runner-up was Melissa Johnson, the daughter of Mr. and Mrs. Glen Johnson.

The new Miss Elba has dark brown hair and brown eyes and is a junior at Elba High School. She is a member of the Student Council, Spanish Club, FFA Quartet, VICA, Beta Club and a former varsity cheerleader. Her hobbies include reading, swimming and painting and her talents include singing, dancing and playing the piano.

She attends the Elba United Methodist Church and is active in church activities.

A total of seven lovely young ladies competed in the annual event and the remaining contestants included Denise Smith, Tammy Williams, Tara Rhoades and Lucinda Byrd.

Category winners in the event included Lucinda Byrd - written communications; Whitney Wise - judge's interview and impromptu response; Jeannie Clark - verbal communications and Melissa Johnson - evening gown. Chosen by the contestants as Miss Congeniality was Tammy Williams.

The new Miss Elba will represent Elba in the National Peanut Festival later this year in Dothan.

The Miss Elba pageant is sponsored by the Elba Athletic Club.

## County Commission votes 2-1 to oppose Foshee highway plan

The Coffee County Commission met in regular session on Monday, April 11 at the courthouse in Enterprise and by a vote of 2-1, with 4 abstentions, passed a resolution calling for Rep. Jimmy Holey and Sen. Crum Foshee to oppose a plan to take the state highway department out of the control of the governor.

Comm. Sid Averett made the motion to pass the resolution and got a second from Comm. Bill Faulk, both of whom recently switched political allegiances to the Republican Party.

Comm. Eugene Bradley stated that he couldn't support the resolution because "I've talked to the governor and his highway folks and haven't been able to get one single thing."

Faulk and Averett voted for the motion, while Bradley opposed the resolution and Egerton, Bryan, Stephens and Crittenden all abstained from voting, resulting in the motion passing with a vote of 2-1.

Comm. Jimmy Bryan stated that the commission send a letter to Rep. Holey and Sen. Foshee expressing confidence in their work at the capital and their representation of Coffee County.

Averett voiced immediate opposition to the Bryan motion and compared the motion to "throwing water on a fire" as far as his earlier motion was concerned.

Bryan and Bradley voted for the motion, while Faulk and Averett voted against the motion and Crittenden, Stephens and Egerton all abstained.

Commission chairman Probate Judge Marion Brunson no longer has the power to break a tie and the motion died because of the tie.

In other action at Monday's meeting, the commission:

- \*\*\*approved the minutes of the previous meeting with a minor change;
- \*\*\*accepted a low bid of \$5,084 from Heath Oil Company on fuel for county vehicles;
- \*\*\*authorized the engineer to take the county's matching share of a project cost to the state when the state highway department accepts the bids on the project (which includes five paving projects in Coffee County);
- \*\*\*agreed to open bids on plant mix, concrete and fuel at the April 25 meeting;
- \*\*\*approved a request from the engineer that liquid asphalt be purchased at the state bid price;
- \*\*\*agreed not to discuss potential

## Elba man found dead in Pea River

The lifeless body of an Elba man was found late Friday afternoon, April 8, in shallow water near the banks of the Pea River and preliminary reports reveal that the man apparently blacked out while walking near the river, fell down a steep embankment and drowned.

Elba Police Chief John Ed White reported that the body of J.L. Eldridge, age 58, a resident of Wayne Street, was discovered by a couple fishing in the river and officials were immediately notified.

Elba Police officials reported that the body was reported found at 5:00 p.m. and Elba officials and Coffee County Sheriff's Department deputies were reported at the scene within twenty minutes.

Law enforcement officers discovered after arriving at the scene by boat that the area could be reached by vehicle by use of a dirt road off Highway 189 and rescue workers reached the scene by way of the dirt road.

Chief White stated that Eldridge had apparently been dead for several hours when found because rigor mortis had already begun to set in by the time officials arrived at the location.

The man was reported to be lying face down with his arms under him when discovered and his face was in approximately two inches of water.

Personal effects of the man were on his body when found, while a hat was found on the embankment, leading officials to believe that the man blacked out and fell down the area leading to the river. Medication found on the man revealed that he was a heart patient.

Chief White also stated that foul play is not suspected in the case and reported that the preliminary reports showed that the victim did drown in the shallow water.

Eldridge's grandson drowned in the river years ago and officials stated the man's body was found less than one hundred yards from where the boy's body was recovered.

## County candidates set for primaries

Qualifying for the June 7 primaries ended last week and in Coffee County both the Democratic and Republican parties appear to be ready for an active election.

The Democrats have a total of 20 candidates in the county races, with 15 candidates seeking places on the county commission and 4 seeking spots on the county school board, while only one candidate qualified for the office of Probate Judge.

On the Republican side of the scorecard, 2 candidates are seeking the post of Probate Judge, while 9 candidates are seeking commission seats and 3 candidates are battling for school board seats.

The accompanying chart shows all the candidates in the upcoming election.

## Elementary teacher asks Elba

### School Board for new desks

Jeweler Tom Maddox presided over the meeting of the Elba City School Board last Thursday evening. He is presently serving as chairman of the group.

All five members were present in participating in the decisions of the board.

Business began with a request for information from first grade teacher Mary Grider, who noted the board had said a year ago that plans for the elementary school included some new furniture in the classrooms. She noted that teachers and parents had seen some home-made book bags that could be made for the present desks if they weren't going to be replaced in the near future but it would be wasteful to make them and have the desks discarded in a few months.

A group of 40 students will be traveling to Montgomery on April 28 to see the play "Hamlet." This will be at the Shakespeare Theatre. They will travel on a city-owned school bus.

A group of first-grade students will travel to Montgomery on April 29th to visit the zoo. They will travel on two school buses and return before school is out at 3 p.m.

Crews reported to board members on the schedule for testing of local students. He noted Elba would be used as a school to "norm" the nation's new version of a test to be used nationwide next year. Crews explained this would be good for the Elba students and the school would be receiving some extra needed supplies for participating in this project.

A review of the financial statement showed the school system is in a much stronger position than it was a year ago at this time. Crews credits this to the hardnosed position taken by the board on getting expenses under control and the addition of the 1-cent sales tax in Coffee County for the school systems. At the close of business on March 31, the board had in the general fund an additional \$7,000 from the balance a month earlier. Crews noted this was good because there would be some lean months before property taxes started coming in again next fall.

Board members were told of the city's efforts to get the swamp between the middle school and the football field drained. Approval of textbooks for the next year was tabled until the next meeting.

## Elba council appoints

### Bob Roberson to city school board

The Elba City Council made a school board appointment, voted to file grant applications to get federal help in draining the swamp between the football field and the middle school; paid the bills and heard two citizens ask for help in removing trees from their property.

All members were present except council member Malcolm Davis.

Police Chief John White informed council members of the recent investigation into the finding of a man's body on the riverbank near the old railroad trestle.

Mayor Bob English announced the upcoming expiration of the school board seat presently held by Dr. William Cowart and his desire not to be reappointed. When the floor was opened for nominations, both Council members Jack Prescott and John W. Sharpless asked for the floor. English recognized Sharpless, who nominated Bob Roberson local pharmacist, Prescott then was recognized and nominated local businesswoman Linda Mills.

When the four council members present were polled on the nominations, both Sharpless and Gladys Yelverton voted for Roberson and Prescott voted for his nominee. Council member Frances Williams abstained from voting and English declared Roberson had been tapped to serve a term on the school board beginning this summer when the current term expires.

Jack Griffith, Projects Coordinator with Southeast Alabama Regional Planning & Development Commission, appeared before the council to participate in a public hearing on the proposed application for a grant to do some drainage work.

All students must have a birth certificate and blue immunization certificate at the time of registration. He/she must be five years of age on or before Oct. 1.

Educational services are provided for 5-year-old exceptional students. Present kindergarten students will attend school on these two days as usual.

## Cataracts: Unfounded Fears

**FEAR:** Cataracts are a disease of the eye which always result in total, irreversible blindness.

**FACT:** Cataracts are a clouding of the eye's natural lens and cataract removal with a lens implant can restore sight in most cases.

**FEAR:** Cataract surgery requires a long hospital stay and a substantial recovery period.

**FACT:** Cataract surgery can be done on a same-day outpatient service at Eye Center South, allowing the patient to return home in hours.

**FEAR:** Cataract surgery is a painful experience before, during and after the operation.

**FACT:** Cataract surgery is a relatively painless procedure before, during and after the operation and the patient is awake during the actual surgery.

**FEAR:** Cataract surgery after April 1, 1988, became extremely costly.

**FACT:** Cataract surgery can still be cost-free to Medicare patients who have met the deductible and are covered by co-insurance.

Stacey Knight received an honorable mention award in geometry. Catherine King and Chad Tindol received honorable mention awards in Algebra II.

## News From Counselor's Office

Auburn University Chapter of Farm House Fraternity will award the Charles J. Myron scholarship to an incoming male student.

This year's award will cover tuition costs for fall quarter 1988.

Five finalists are chosen from the applicants, based on high school GPA, ACT score and school, church and civic-related activities.

The finalists are invited to Auburn for personal interviews, and the winner is selected based on this interview process.

Deadline to apply is April 15.

The Alabama State University Connection Day will be held on Saturday, April 23.

This program is designed for high school seniors (and their parents) who are seriously considering attending ASU and those who have been admitted to the University.

Students will be afforded the opportunity to explore their academic interests by speaking directly with faculty members and students in their specific area of interest.

Talking to an expert is one of the best ways known to gain accurate, up-to-date information about any subject, and based on this Enterprise State Junior College and the Enterprise Rotary Club are sponsoring the tenth annual Career Fair for area students and community residents.

The fair will be held Thursday, April 21, 9 to 11 a.m. at the ESJC Health Building.

Students will be able to talk to resource persons and learn first hand about more than 50 different careers. Representatives from 30 businesses and industries will also be present to discuss their companies' products, employment possibilities, etc.

FIRST PLACE WINNER IN TABLESETTING . . . Jamie Morrow (seated), senior at Elba High School, won first place at the third annual tablesetting contest held at Plain 'N' Fancy in Enterprise recently. For her award-winning setting titled "Expressions of Easter," Jamie won a quarter's tuition to Enterprise State Junior College. Pictured with Jamie is her Home Economics teacher Ann Dyess (l.) and Dottie Porter of Plain 'N' Fancy.

## Junior Varsity Cheerleaders Chosen

By: Lavonia Johnson

The girls who wanted to try out for junior varsity cheerleader started with learning a cheer called "Zion Chapel Rebels." Once they learned the cheer, they went on with learning different jumps and stunts. The girls also had to learn a dance routine to "Brass Monkey."

The girls performed in groups and then individually. There were

sixteen girls who tried out by the eight lucky girls who made it were: (front row, left to right) Shae Ogelsby, Tonisha Alcuri, Serethia Alcuri, Chris Green, (back row, left to right) Beverly Flowers, Bridget Greenwood, Laura Brown, and Kim Killingsworth. Alternates were Shane Bagwell and Shannon Calhoun. Chris Green was not present the day the picture was made.

## Seniors Study Parenthood

By: Oma Lee Bundy

Mrs. Marsha Ogg's Family Living class, that consists of only seniors, is studying parenthood.

The seniors started this unit by learning the different categories of lifestyles. Lifestyles include the traditional, single, or opca marriage. The students each picked the lifestyle that most appealed to them and wrote a short report on its advantages and disadvantages. They also studied the reasons some people choose to remain childless. Some of these are the concern about population and world problems, and sterility.

The study also involves the methods of birth control that are prescribed by a doctor, which method Steve Carnley competes in Tractor Contest.

By: Jane Davis  
Steve Carnley, a Zion Chapel junior, won fourth place at the tractor driving contest held Wednesday, April 6.

The contest, held at Enterprise Fleming Ford Tractor Company consisted of an obstacle course made of tires and backing a trailer into a shed. The contestants also had to know all the safety rules of tractor driving.

Steve, FFA president for the Zion Chapel chapter, entered the contest with the help of Mr. Harold Stewart, FFA sponsor.

Steve drove a Ford 3610 and scored a total of 350 points, placing him in fourth position.

Coach Walker stated, "This is an interesting way for students to study eating habits and nutrition."

## Stanford Achievement Test Given To Grades 7-12

By: Jackie Parrish

Students at Zion Chapel High School have been taking the Stanford Achievement Test this week. All students grades 7-12 were required to take this test.

Seventh and eighth graders were tested on their concept of numbers, math computation, math application, reading comprehension, listening comprehension, vocabulary, spelling, language, social science, and science. Eighth graders were also required to take the Otis-Lennon School Ability Test.

## Seniors Receive Invitations Caps And Gowns

By: Wayne Davis

The seniors at Zion Chapel High School were recently brought to the realization of how close graduation is, when they received their invitations, caps and gowns.

They received the invitations from Rusty Parker, a Ballou representative. The invitations are white with red and silver lettering. This year is the first year that the school

Ninth graders were tested on reading vocabulary, reading questionnaire, reading comprehension, spelling, mathematics, English, study skills, science, social science, and the Otis-Lennon School Ability Test.

The tenth through the twelfth graders were tested on reading vocabulary, reading comprehension, mathematics, English, spelling, science, social science, and the Otis-Lennon School Ability Test. The test lasted three days and was given during the first three periods.

Mrs. Melinda Hodge's class decided to celebrate Easter by making different kinds of egg animals.

The animals were made by taking "punches" of construction paper that had been punched out by hole-punchers and applying the

"punches" to hollow eggs with glue. The eggs were then decorated with other features that made the eggs look like real animals such as a tail on a pig, a tuxedo on a pen-

guin, and a flash of fire coming out of a dragon's mouth.

The class thoroughly enjoyed making the animals and are displaying the creatures in Mrs. Hodge's room.

## Views From The Pressbox By, Ricky Mularz

The beautiful weather last week made me want to be anywhere except the office, but as luck would have it the baseball team didn't play on Thursday or Friday and for the life of me I couldn't think up a good enough reason to get me out of the office for more than a couple of minutes. Oh well, in a couple of weeks softball and youth baseball will be going full blast and I'll be wishing I was back inside!

### TIGER BASEBALLERS SEE RECORD SLIP TO 2-3

The Elba Tiger baseball team hit the field twice last week and failed to chalk up a win as its record slipped to 2-3 on the season. The Tigers traveled to Andalusia for a night game and dropped a wild 16-14 decision, while the following day the Tigers were at home against Opp and got blanked 8-0 by the powerful Bobcats. A 2-3 record is nothing to brag about and I'm sure that neither Coach Rainer or the players are satisfied, but it's not that bad a start for a team that was late getting going and then jumped into the fire against such teams as Enterprise, Andalusia and Opp.

While the Tiger pitchers have been doing better than expected, the batters have also been doing well and have scored plenty of runs in just about every game. Greg Hanchey is leading the Tigers at the plate with 10 hits in five games, while Matt Henderson and Chris Thomas have both collected 5 hits in early season action.

I haven't seen but two innings of action this season, but I saw enough to know that the Tigers have enough talent to be a good team before the playoffs roll around and if the Tigers can keep improving another trip to the state tourney could well be in future plans!

### FINAL FOUR STILL HAD TO FIGURE

I watched the NCAA title game Monday night and while I really didn't care who won I was happy that Kansas won after reading the comments of some of the Oklahoma players after the game. In case you missed it, Oklahoma center Stacy King blamed the loss on the fact Oklahoma had to beat eight people (the Kansas players and the refs and accused the refs of not calling fouls on Danny Manning because he was the top Kansas player.

I'll admit that before the game I was pulling for Oklahoma because of the style of ball it played, but as the game went along I became simply a spectator and by the final minutes was glad to see Kansas win it. After reading the comments of King, I'll be hard pressed to ever be a Sooner fan again in basketball.

### SOFTBALL LEAGUE SEEMS TO BE PICKING UP

The Elba Recreation Department held its softball meeting last week and it looks like either seven of eight teams will compete this summer in the men's softball league. The league had dwindled down to just a handful of teams in recent years as many of the players got a little old to participate (or so they thought) and it looked as if the new complex was built a couple of years too late. The league began to pick up last year when longtime men's league player Nip Ammons organized a team of high schoolers and now there are several teams with younger players, which is why the league is picking back up. It looks like a fun summer for softball in Elba!

### IN CLOSING....

I've been umpiring for many years and write the recaps of all the youth ballgames in the paper, so, when it comes to youth baseball I consider myself somewhat of a self proclaimed expert. Just kidding! Anyway, one of my favorite pastimes is to talk with the coaches of youth teams and ask them how things are going at practice. Some coaches will tell you that their team is terrible, while others will smile and predict great things and others just say they don't know. Some people like to talk to politicians, but I'd much rather talk with a coach because they know just what's going on and can always tell you stories about the players.

### Hickman Movers Add Luverne Title

The Hickman Moving and Storage softball team, from Elba, claimed their third straight tournament championship last weekend when they brought home the top prize in the Luverne Quarterback Club Softball Tournament.

The Movers claimed four straight wins to take the title and the wins came over the Luverne Merchants 13-12, Amoco 19-8, Brantley Auto Parts 12-0 and Amoco 16-4.

Glen Johnson got 11 hits in 16 at-bats to lead the Movers in hitting, while other leading hitters included Mike Carley (8-12, 2 homers), Rachel Moore (9-14, 1 homer), Glen Filipowski (10-18, 2 homers), John Tucker (7-14, 4 homers) and Tim Williamson (7-15, 7 homers).

## Elba's David Rowe No-Hits Zion Chapel In 18-0 Win

BRYAN TAKES LEAD...Elba's Barry Bryan takes lead off first after getting a hit in the Tigers 8-0 loss to Opp. The Tigers will return to action Friday in a doubleheader against Louisville.

Elba freshman David Rowe tossed a no-hitter and struck out 12 batters Monday afternoon to lead the Tigers to an easy 18-0 win over the Zion Chapel Rebels, in Elba.

The win upped Elba's record to 4-3, while Zion Chapel saw its record slip to 0-2 with the loss.

The Tigers came out ready to play and combined 5 hits with 5 errors to grab a quick 10-0 lead. Greg Hanchey began the big inning when he was hit by a pitch and came around to score when Kevin Matthews ripped a double down the left field line. Barry Bryan, Matt Henderson and Wade Hart all reached on errors as the inexperienced Rebels continued their early game woes and when Chris Thomas followed with a double the Tigers lead was up to 5-0.

A walk to Willie Flowers and a single by Jason Grider loaded the bases and simply set the table for Greg Hanchey, who drilled a double deep to centerfield and cleaned the bases to give Elba a whopping 8-0 lead with only one out in the first inning. Kevin Matthews doubled in Hanchey and later came around to score on a fielder's choice and by the time the inning ended the Tigers were on top 10-0.

A solo home-run by Wade Hart upped the Tigers' lead to 11-0 in the second inning and Elba added 6 runs in the fourth inning to put the game totally out of reach.

The fourth inning explosion came with the aid of walks to Leon Coleman, Willie Flowers and Jason Grider and hits by Barry Bryan, Wade Hart, Wynn Grimes and Jamie Whitworth.

The Tigers added a lone run in the fifth when Wade Hart opened the inning with a walk, moved to second when Wynn Grimes was hit by a pitch and came around to score on two infield outs to make the final tally 18-0.

Kevin Matthews, Chris Thomas and Wade Hart all got 2 hits for the Tigers, while Greg Hanchey, Tim Sullivan, Barry Bryan, Jamie Whitworth, Willie Flowers and Jason Grider all added 1 hit.

Elba pitcher David Rowe allowed only two baserunners during the game, both on walks, and struck out the first seven batters he faced.

The Elba Tigers traveled to Andalusia last Tuesday night for a night game against the Bulldogs and came out on the short end of a wild 16-14 score.

The loss ended the Tigers' two game winning streak and left Elba with a 2-2 record, while Andalusia upped its slate to 4-5 with the win.

The Tigers grabbed a quick 1-0 lead in the first inning when Greg Hanchey led off with a single and

came around to score on a single by Matt Henderson, but Andalusia also had on its hitting shoes and collected 4 hits in the bottom of the inning to take a 2-1 advantage.

The Tigers combined 3 walks with hits by Greg Hanchey and Steve Sauls in the second inning to regain the lead at 5-2, only to see the Bulldogs rally in the bottom of the frame to plate 2 runs and cut the

Tigers lead to 5-4.

Andalusia pushed across 3 runs in the third inning compliments of two big Elba errors to grab a 7-5 lead; however, this time it was the Tigers turn to rally and Elba scored 6 runs in the fourth inning to regain command with an 11-7 advantage!

Singles by Bobby Bowden and Greg Hanchey started the inning off with a bang for the Tigers, while a

bases-loaded single by Chris Thomas was the key blow in the uprising.

Andalusia plated 3 runs in the bottom of the fourth to cut the Elba lead to 11-10, but the Tigers scored a run in the fifth with the aid of 4 walks and increased their lead to 12-10.

Andalusia continued its merry-go-round at the plate in the bottom of the inning by adding 4 runs to go on top 14-12, only to see Elba rally once again and score a run without getting a hit to pull within 14-13.

Andalusia scored a pair of runs in the sixth on only 1 hit to extend its lead to 16-13 and then held on in the seventh to claim the wild 16-14 win.

Greg Hanchey got 4 hits and scored 4 runs to lead Elba at the plate, while Chris Thomas added 2 hits and Steve Sauls, Matt Henderson, Wynn Grimes and Bobby Bowden all added 1.

Elba pitcher Leon Coleman allowed 7 hits in the loss, while striking out 4 and walking 3. Opp's Jamie DuBose tossed a 4 hitter and fanned 6 Tiger batters.

### The Best Policy

## PRE-VENTION

When losses occur, our State Auto policyholders can count on protection and service in time of need. But we all agree that the best insurance against loss is prevention. Prevention saves life, limb and property...and helps control insurance costs and premiums. Defensive driving...use of seat belts...preventive measures to keep that accident from happening...that building fire from starting, that home burglary from being committed. These are your best insurance protection.

Clearly Defined Rows at Harvest  
The strong, erect AgraTech GK-7 main stem makes locating rows faster for more thorough inverting. Turned nuts are like money left in the ground.

Genetically Different From Florunner and Sunrunner  
Disease can spread through a single variety. AgraTech GK-7 gives you added peace of mind.

Produce Nuts - Not Vines  
Less vegetative growth than Florunner means less chance for fungus and disease, and easier harvesting.

Stronger Peg Attachment  
Harvest more of the crop you make with AgraTech GK-7 because stronger pegs mean fewer peanuts left in the ground.

Unsurpassed Grades  
Not only does AgraTech GK-7 beat Florunner and Sunrunner in yield results, you never sacrifice grade. For more return per acre.

7% Higher Yields Than Florunner and Sunrunner  
Harvest after harvest, AgraTech's GK-7 consistently out-yields Florunner and Sunrunner.

You can't harvest Peanutea Perfectus  
next fall unless you get GK-7  
from Dealerus Perfectus this spring.

## ROUND AND ABOUT WITH ERIA

897-2006

"I am the true vine, and my Father is the husbandman. Every branch in me that beareth not fruit he taketh away, and every branch that beareth fruit, he purgeth it that it may bring forth more fruit."

"Now ye are clean through the word which I have spoken unto you. Abide in me and I will abide in you, and the Father will come and dwell with you, and he will give you whatsoever you wish. If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you. Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples." John 15:1-8

1988 WASHINGTON YOUTH TOUR WINNERS...The Alabama Electric Cooperative recently announced the winners in the 1988 Washington Youth Tour Essay Contest and the winners included two students from Elba High School. Pictured above (l-r) are Rob Rhoades - winner, JoJo Singleton - runner up, Holly Wilson - winner and Mark Ingram - tour coordinator.

## Two Elba High School students chosen to represent AEC at youth tour

Elba High School students Rob Rhoades and Holly Wilson have been chosen to represent the Alabama Electric Cooperative in the 1988 Washington Youth Tour during the week of June 14-19, 1988. The Elba students, along with runner-up JoJo Singleton, of Pike County High School, were selected from finalists in the Youth Tour essay contest, which was open to juniors from schools located in AEC's four area municipalities. This included students from Andalusia, Elba, Opp and Pike County High Schools.

Rhoades, the son of Mr. and Mrs. Jim Rhoades, is a member of the Beta Club and the honorary 4-H Gold Key Fraternity and in 1987 was chosen as Coffee County's Outstanding 4-Her.

Wilson, the daughter of Mr. and Mrs. Ben Wilson, is a member of Mu Alpha Theta and the A Honor Roll and is vice-president of the Spanish Club.

## Coffee County man killed Saturday night in freak accident in Enterprise

A 21-year-old rural Coffee County man was killed over the weekend from injuries received when he apparently fell beneath a car at a parking lot in Enterprise.

Enterprise Police Chief Tim Byrd reported that Jack Derrick Harrison, age 21, of Rt. 3, Elba, died Sunday from injuries he received Saturday night after falling beneath a car in the Enterprise Shopping Center parking lot.

## Debbie Williams honored by wire service

Elba native Debbie Williams continued to add awards to her long list of credits last week when the Associated Press and United Press International announced that she had been awarded radio honors for the second straight year.

Williams, the daughter of Mr. and Mrs. Herschel Williams and a graduate of Elba High School and Troy State University, was recently named as the news director at Montgomery radio station WLVI/FM AM.

United Press International, for the second straight year, named Williams the "Best Radio Reporter in Alabama" and also presented her an award for best "Spot News" for her coverage of a double homicide in Montgomery and the subsequent manhunt and arrest of the subject. She was also awarded for the best "Overall Newscast."

## Senator Shelby wins award

United States Senator Richard Shelby has been chosen by the Coalition for the Strategic Defense Initiative to receive the first annual

SDI Congressional Leadership Award. Alabama's freshman senator was honored on March 23 at the Capitol Hilton, South American Room. Sen. Shelby was chosen to receive the honor because of his continued support for SDI funding.

Cassidy wins two awards for Farm-City work

Coffee County Farm-City Chairman Tom Cassidy received two top awards in the Alabama Farm-City Week observance.

One award was for Best Farm-Week Proclamation category in Division I.

Making the awards was Vernon Miller, regional editor of Progressive Farmer Magazine. The presentation was made at the awards meeting of the Alabama Farm-City Week Committee in Birmingham recently.

It was also announced that Williams had been named to the state Associated Press Board of Directors for 1988.

## Circuit Court injunction to prevent Mutual Savings vote at NSIC meeting

Coffee County Circuit Judge Gary McAiley issued a preliminary injunction this week barring Mutual Savings Life Insurance Company from voting at a meeting of the stockholders of National Security Insurance Company, set for today (Thursday, April 21) in Elba.

National Security, of Elba, had filed suit against Mutual Savings, of Decatur, claiming that the company had acquired 22 percent of National Security's stock illegally and in granting the injunction, Judge McAiley stated that to allow Mutual Savings to vote with stock that may have been acquired illegally would have caused National Security, its insured and its stockholders "irreparable injury."

State Insurance Commissioner Jack Greeno ruled against the purchase of National Security stock by Mutual Savings in March on the grounds that the possible takeover of National Security would not be in the public's best interest, would lessen competition in the field and jeopardize National Security's financial stability.

## Annual Spring Chicken Festival set April 23-May 1 in Coffee County

The 3rd annual Shriners' National Spring Chicken Festival will be held on April 23 - May 1 and to help kickoff this year's event members of the DOER Shrine Club last week officially announced plans for the upcoming event.

Shriners president Larry B. Johnson stated at last week's press conference that the festival planned to add at least one event each and every year and predicted that the festival would catch up with the Peanut Festival in only "three or four years."

This year's activities include: \*\*\*Carnival at the Coffee County Fairgrounds April 27-30 complete with country music shows Friday and Saturday, April 29-30. Admission to the parking area, the fair midway and shows is free!

## Mrs. Patterson to head Kinston St. Jude drive

St. Jude's Children's Research Hospital officials have announced that Mrs. Mandy Patterson will chair the Hospital's "Wheels For Life" bike ride in Kinston this spring. This ride will raise funds to support the Hospital's battle against childhood cancer and other illnesses being studied there.

Founded in 1962 by entertainer Danny Thomas, St. Jude Hospital has become the world's largest center for the study of childhood cancer and is the only institution dedicated solely to the treatment and study of catastrophic childhood diseases. The Hospital is non-sectarian and interracial.

In addition to direct treatment of patients throughout the United States and 29 foreign countries, St. Jude has provided the world's doctors with the best means of treating their own young cancer patients. This life-saving knowledge is given free and with no charge to any other hospital of private physician.

On April 23 from 1:00 to 3:00 p.m. at the Simply Southern Shopping Center the "Front Porch Pickin' Reunion" will perform.

CRUISING DOWN THE RIVER... The members of the Magnolia Garden Club were treated to a trip down Pea River Saturday morning as part of a promotion of the area as a recreational paradise. The promotion is being conducted by the members of SEABASS, a local sportsman's group that is interested in developing the river for recreational purposes, including fishing. The ladies were the first of three groups to take the tour and returned ready to financially get behind the efforts to improve the river area. Members making the trip included Jean Kennett, Carolyn Brunson, Lurlean Martin, Laura English (and grandson Lee) Erma Warr and Myrtle Sellers.
